## The youngest Moravian Mission Station

FREE LABOUR FOR MAKKOVIK CHURCH

in Labrador is at Makkovik. There there is a Church, complete with Mission House, Boarding School, Nursery Home and various stores and workshops.

For 40 years this has been the Settlers' Church. Its membership increases annually. The climate is rigorous. Even in June the nearby Monkey Mountain is shrouded in snow.

Will you please support this difficult work with your prayers and gifts?

Horace E. Lindsey, Honorary Secretary

*London Association*  
**MORAVIAN MISSIONS** *in aid of*

President: SIR GEORGE H. HUME, J.P., M.P., L.C.C.

## An emergent situation

The Bishop of Saskatoon, appealing to the C.C.C.S. for help, after referring to the very low price given to farmers for grain in many areas, goes on to say :

"Of course, as you know, that spells poverty. When people have so little their gifts to the church are necessarily very small and the stipends of the men are the things which suffer at once, and that is the reason why I am compelled to ask help from my friends."

". . . The regular payment of your quarterly grant means a lot to us because we can always count on it, but I am writing in the hope that you may have some general funds from which you could make us an emergency grant to tide us over our present embarrassment."

Church people in the Homeland are most urgently invited to enable us to send a satisfactory reply to the Bishop's appeal.

Contributions will be gratefully acknowledged by the Secretary.
